Azure Celebrates One-Year Anniversary

To celebrate a successful opening year at Azure, residents, Realtors, and Harwood International associates gathered in the tower's elite social room. Guests mingled over cocktails and hors d'oeuvres catered by Jim Lee Events.

"In celebrating our 20th anniversary of Harwood International, we are proud to have added Azure to our extensive portfolio of projects," said

Gabriel Barbier-Mueller, founder and CEO of Harwood International. "Azure is our first residential development, and we appreciate the exceptional work of everyone involved in making it a success. Now we look forward to turning our attention to our next residential project, St. James Park in Sunnyvale."

Azure opened its doors in late 2007, introducing 156 families to the

Harwood "Walk to Life" lifestyle, located within Harwood District. The 31-story high-rise is the tallest residence tower in Uptown, and has received acclaim as being exemplary in environmental design and urban resort-style living.

Azure is located at 2900 McKinnon St. See azureliving.com or call 214-468-0002 for more information.
